PRODUCT INFORMATION (CONTINUED)

General Description

Roland Peeled Straw Mushrooms are long and slender, but because they are grown on beds of rice their mild flavor and smooth texture is best appreciated when added to soups and stir-fries. They are a member of the fungus family, a very simple type of plant.

Preparation and Cooking Instructions

Roland Straw Mushrooms should be rinsed thoroughly before using.

Benefits of Using This Product

Roland Straw Mushrooms offer excellent convenience as they are pre-cooked, trimmed, and ready to use. Their unique umbrella-like shape and distintictive flavor enhance the appearance and taste of many asian dishes.

List of Ingredients

Straw Mushrooms, Water, Salt

Other Information

This is a medium size mushroom. Approximate count is 240 to 360 per tin. This is our largest pack, a #10 tin with 68 oz. dr. wt.

Suggested Uses

Roland Straw Mushrooms are used in asian soups, stir-fries and in various sauces. They are also used in place or mixed with many of the more expensive European type mushrooms.

Similar Products

Potential Markets

Roland Straw Mushrooms can be used by any operation that features asian cuisine. Some italian restaurants are now using this item in their tomato sauces as this mushroom gives excellent flavor to the sauce.
